Moana James Stirling

Personal details
Name: Moana James Stirling
Address   9 Cotesmore Way, Parnell, Auckland 1010
Mobile   021 0530460
Email   moana.stirling@gmail.com

Personal statement
I am nearing the completion of my degree and excited to move on to being employed as a developer.

My work with the Tuākana program at the University of Auckland has helped me to meet some amazing people and develop solid communication skills. Managing Tuākana, lab demonstrating, marking and my academic work has also immensely developed my time management ability.

I am also currently working on the web app *priceme* with a group of other people which you can read a bit more about here: https://summeroftech.co.nz/blog/akl-hackfest-team-priceme/

Skills and experience

Communication skills
- Excellent communication skills, able to explain and discuss concepts and ideas.
- Friendly and easy to interact with.

Organisational ability
- Effective time management skills.
- Able to divide large tasks into smaller tasks and complete in allocated times.

Programming skills
- Strong skills with Python and Java through university education.
- Experience with C#, .NET through university education.
- Experience with SQL through university education.
- Development experience with JavaScript(Node.js, jQuery, AngularJS), CSS and HTML from projects such as *priceme.*
- Development experience with MongoDB from projects such as *priceme.*
